

Become a Sponsor

Thank you for considering a sponsorship for the **2025 Mayor's Cup Golf Tournament, proudly hosted by the Garden City Chamber of Commerce on September 22, 2025.** This highly anticipated event offers outstanding opportunities for high-profile visibility, meaningful community engagement, and alignment with a tournament that benefits incredible local charities. This year's tournament promises to be especially memorable—for several reasons:

Tee Off at The River Club—Play the Legacy. Before It's Rewritten

Don't miss your chance to play one of the final rounds at the iconic **River Club Golf Course** before it closes for a major two-year remodel. Formerly known as **Plantation Golf Course**, this historic venue has been a beloved gem in Garden City since 1917. Over the years, it has hosted generations of Idaho golfers, including some of the region's most prestigious tournaments. With scenic views of the Boise River and a legacy rooted deep in Treasure Valley history, The River Club holds a special place in the heart of the community—this will be your last opportunity to experience the course as it is now.

A Tribute to Mayor John Evans

2025 marks the **final year in office for Mayor John Evans**, who has served Garden City for 20 years as Mayor and 10 years prior as a City Council Member. His leadership has shaped Garden City into a vibrant, inclusive, and forward-thinking community with one of the **highest rates of nonprofit involvement per capita in Idaho.** The Mayor's Cup is not only a golf tournament—it's a celebration of community impact, philanthropy, and the legacy of a leader who has helped guide Garden City's incredible growth and civic spirit.

Playing for a Purpose

Proceeds from the 2025 Mayor's Cup Golf Tournament will benefit **Giraffe Laugh Early Learning Centers**, a local nonprofit making a powerful impact in the Treasure Valley. Giraffe Laugh provides early childhood education and nurturing care to over **170 local children each year**, ensuring they are ready for school and life. Through a focus on school readiness, family empowerment, and building strong futures, Giraffe Laugh is helping create lasting change—one child, one family, and one classroom at a time.
